CONSCIOUS NAVIGATION

Our purpose-built, intimate yachts realize the possibilities of environmental stewardship with the latest hybrid power management and propulsion systems, maximizing fuel efficiency and consuming as low as one-fifth the fuel compared to conventional cruise-ship systems, reducing our impact on the environment. We minimize underwater noise that stresses marine wildlife by using a hydro-jet propulsion system that allows us to cruise virtually silent up to five knots for incomparable, up-close encounters while keeping the sensitive ecosystem in mind.

INSPIRING DAYS

Aboard our yachts, we cultivate an intimate ambiance that encourages connection with your fellow explorers, your expedition guides, yourself and your environment. Lectures and workshops from guest speakers, historians, photographers, guest chefs and other experts in their fields will fascinate your curious mind. Watch your destination grow closer sitting just 30 feet above the waterline at Water's Edge. Journey inward with a well-equipped Fitness Studio, running track on the top deck, relaxing sauna sessions at SeaSpa by L'OCCITANE and other health and wellness amenities. Swap stories with fellow explorers while sipping on craft cocktails at Atlas Lounge. Or engage in lively conversation while gazing upon wondrous scenes from The Dome Observation Lounge with 270-degree and overhead views.

APRÈS EXPÉDITION

After exploring ashore, return to the yacht as you are and gather with your fellow explorers for an impromptu toast to your incredible experiences together. Whether unwinding with a craft cocktail or nibbling on small plates, relive the day with your new friends and expedition team as you imagine what new wonders await tomorrow.

GLOBALLY INSPIRED CUISINE

Your culinary adventures on board rival your discoveries ashore. From a savory journey through regional dishes to a leisurely afternoon tea, appreciate an experience that's more than cuisine.

LET US GET TO KNOW YOU

The officers, staff and crew aboard *World Voyager™*, *World Traveller™* and *World Navigator®* share your love of travel. This is why we have chosen a life at sea, and this is why we are so passionate about creating an extraordinary experience for you. We know the joy of new discoveries, and this joy inspires our exceptional service and attention to every detail. As we travel together aboard our intimate yachts, we will naturally get to know one another, and thus the service we provide comes not from obligation but from genuine care and a sense of camaraderie.

MADEIRA | WORLD VOYAGER™ LISBOA | WORLD TRAVELLER™ PORTO | WORLD NAVIGATOR®

Aboard our intimate yachts, our main restaurant offers a generous breakfast and lunch buffet — plus a made-to-order menu featuring omelets, waffles, frittatas, carving stations and salads — that changes daily. Multicourse dinner menus showcase classic favorites as well as adventurous culinary experiences that feature a new regional inspiration every evening from appetizers all the way to dessert. Plus, every night each regional menu offers a complementary plant-based, vegetarian option that you can feel free to mix and match with that evening's offerings.

Remember to look up or take in the 270-degree window views after your day of exploring while enjoying a wide selection of Kusmi teas, light snacks and pastries with the longstanding tradition of afternoon tea. Here you will also find espresso drinks throughout the day and pre-dinner canapés.

PAULA'S PANTRY
